

*«Where there is  
no work,  
there is a lack  
of dignity»*

*(Pope Francis)*

Christmas 2013

We are convinced that a fair world without a job,  
that enables people to grow and live with  
dignity, is not possible. We raise our voice so  
that we can eat of our work.

In this reality, God will be with us.

Merry Christmas
